SUMMARY OF APPLICABLE LAWS

Section 7-7-211(b) of the Mississippi Code gives the State Auditor's Office the authority to prescribe, for all public offices, systems of reporting financial facts in conformity with legal requirements.

Section 27-19-63 of the Mississippi Code states that a \$250 penalty shall be assessed against any person who is liable for the motor vehicle privilege license tax and who (1) displays an out-of- state license tag on the vehicle or (2) displays a license tag or privilege license decal on the motor vehicle which was issued for another vehicle. It also states that "penalties shall be assessed on the privilege license tax at the rate of five percent (5%) for the first fifteen (15) days of delinquency, or part thereof, and five percent (5%) for each additional thirty-day period of delinquency, or part thereof, not to exceed a maximum penalty of twenty-five percent (25%)."

Section 27-19-127 of the Mississippi Code states that a constable shall personally be entitled to one-half (1/2) of the \$250 penalty and one-half (1/2) of the penalty assessed on delinquent privilege license taxes if the constable enforced the collection. If a sheriff or a municipal law enforcement officer enforces the collection then one-half (1/2) of the \$250 penalty and one-half (1/2) of the penalty assessed on delinquent privilege license taxes "shall be paid into a special fund of the county or municipality, as the case may be, and may be appropriated and expended by the governing authorities of the county or municipality for any lawful purpose." This section also states that all delinquent privilege taxes and penalties imposed and collected under its provisions shall be handled and disposed of in the same manner as the regular taxes.
